## Directions

 Prep time **10m** | Cook **30m** \* | Ready in **40m**

- 1** Cook/heat breaded Chicken Strips according to package directions  
*\* May vary depending on chicken strip cooking directions*
- 2** Set oven to broil, with the rack adjusted to the middle of the oven.
- 3** On a clean baking tray lined with foil, group hot chicken strips together in two or threes, depending on size. Spoon tomato sauce generously over the strips and top with a slice of Mozzarella cheese to cover the chicken. Place the tray in the oven and broil the assembled chicken strips approx. 1-3 minutes until cheese is melted, evenly browned and bubbly. Remove from oven and keep in a warm place
- 4** While Chicken Strips are being broiled, spread softened garlic butter on both the cut sides of the Wonder® Hamburger buns, and place buttered cut side up on a foil lined baking tray. When the oven is free, broil the Wonder® buns, moving around as needed to evenly brown and toast. Watch carefully as the buns toast quickly! Remove from oven to a warm place.
- 5** To assemble the sandwiches, use a spatula to transfer the groups of chicken strips onto the bottom halves of the toasted Wonder® hamburger buns and cover with the top half of the roll.
- 6** Serve immediately, with either a side salad or raw veggies and enjoy!
