

Turkey and Spinach Panini Snackers

Serves 4 / 15 mins

Ingredients

8 slices Wonder® Non-GMO Whole Wheat Bread, crusts removed

1/2 cup baby spinach, stems picked

4 slices turkey breast deli slices, cut in half

1/4 cup ranch dressing (optional, to dip)

4 slices Swiss cheese, cut in half

Directions

Prep time: 5 minutes | Cook time: 15 minutes | Total time: 15 minutes

1

Preheat Panini press.

Optional: Use a grill pan or large nonstick skillet coated with cooking spray.

2

On a cutting board, lay out slices of Wonder® Non-GMO Whole Wheat bread. In the center of each slice of bread, lay a half slice each of cheese and turkey and a few leaves of spinach and top with another slice of bread. Repeat to build 4 sandwiches.

3

Place 2 sandwiches on Panini press and close lid. Cook for about 3 -5 minutes. Repeat step for the remaining 2 sandwiches.

Optional: If using a grill pan or large nonstick skillet, preheat to medium heat. Add sandwiches to pan; top with another heavy skillet. Cook 3 minutes on each side or until golden brown.

4

Cut sandwiches diagonal, into halves and trim sides where filling may have come over the edge of the bread. Serve with ranch dressing as dip and enjoy!
